SUBMISSION OF DECLARATION IN RESPONSE TO NOTICE OF MISSING PARTS

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the Notice of Missing Parts mailed March 17, 2004, enclosed is a copy of a Declaration which refers to the application as filed. While the Notice requests that the serial number and filing date be included, it is noted that 37 CFR 1.63 is satisfied where the following combinations are met as set forth in MPEP 602(VI):

The following combinations of information supplied in an oath or declaration filed after the filing date of the application are acceptable as minimums for identifying a specification and compliance with any one of the items below will be accepted as complying with the identification requirement of 37 CFR 1.63:

- (A) application number (consisting of the series code and the serial number, e.g., 08/123,456);
- (B) serial number and filing date;
- (C) attorney docket number which was on the specification as filed;
- (D) title of the invention which was on the specification as filed and reference to an attached specification which is both attached to the oath or declaration at the time of execution and submitted with the oath or declaration; or
- (E) title of the invention which was on the specification as filed and accompanied by a cover letter accurately identifying the application for which it was intended by either the application number (consisting of the series code and the serial number, e.g., 08/123,456), or serial number and filing date.

Absent any statement(s) to the contrary, it will be presumed that the application filed in the USPTO is the application which the inventor(s) executed by signing the oath or declaration.

As such, it is respectfully requested that the enclosed Declaration, which includes a reference to the inventors, the title, and the attorney docket number of the application as filed, be accepted

as satisfying the requirements of 37 CFR 1.63 in the manner set forth in (C), (D), and/or (E), and that the requirements in the Notice have now been met.

If the Examiner has any remaining issues to be addressed, it is believed that prosecution can be expedited by the Examiner contacting the undersigned attorney for a telephone interview to discuss resolution of such issues.

If there are any additional fees associated with the filing of this Submission, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
